

CERTIFICATO DI SISTEMA DI GESTIONE

Certificato n.:
137175-2013-ASA-ITA-SAAS

Data Prima Emissione:
06 giugno 2013

Validità:
07 giugno 2022 – 06 giugno 2025

Si certifica che il sistema di gestione di

CPL CONCORDIA SOC. COOP

Via A. Grandi, 39 - 41033 Concordia sulla Secchia (MO) - Italy

e i siti come elencati nell'Appendix che accompagna questo certificato

È conforme ai requisiti della norma per il Sistema di Gestione Social Accountability:
SA 8000:2014

Questa certificazione è valida per il seguente campo applicativo:

Progettazione, realizzazione e manutenzione/riqualificazione di impianti tecnologici (elettrici, termosantari, condizionamento), di impianti di cogenerazione, di impianti di Telecontrollo e Protezione Catodica. Progettazione, realizzazione e manutenzione/riqualificazione di impianti di misura, riduzione e odorizzazione del gas metano. Progettazione, realizzazione, manutenzione/riqualificazione e gestione di reti di distribuzione (gas metano, teleriscaldamento, acque potabili e reflue). Manutenzione di reti elettriche. Progettazione, realizzazione/riqualificazione e manutenzione di reti di pubblica illuminazione. Ristrutturazione e manutenzione degli immobili. Erogazione di Servizi di Global Service immobiliari e tecnologici e del servizio di Cercafughe gas. Servizio Energia (Gestione Calore; conduzione e manutenzione degli impianti tecnologici; Terzo Responsabile; fornitura di combustibile; diagnosi energetica, certificazione energetica, controllo energetico e di sicurezza post contatore). Stoccaggio e commercializzazione odorizzanti. Servizi di Contact Center inbound. Servizio di telelettura e tele-gestione dei gruppi di misura del gas.

Luogo e Data:
Barendrecht, 19 Maggio 2022

Per l'Organismo di Certificazione:
DNV - Business Assurance
Zwolsseweg 1, 2994 LB Barendrecht,
Netherlands

MANAGEMENT SYSTEM CERTIFICATE

Certificate no.:
137175-2013-ASA-ITA-SAAS

Initial certification date:
06 June 2013

Valid:
07 June 2022 – 06 June 2025

This is to certify that the management system of

CPL CONCORDIA SOC. COOP

Via A. Grandi, 39 - 41033 Concordia sulla Secchia (MO) - Italy

and the sites as mentioned in the appendix accompanying this certificate

has been found to conform to the Social Accountability Management System Standard:

SA 8000:2014

This certificate is valid for the following scope:

Design, construction and maintenance / upgrading of technological systems (electrical, plumbing, conditioning) of cogeneration plants, remote control and cathodic protection plants. Design, construction and maintenance / upgrading of methane metering system, pressure reduction and metering station and odorization plants. Design, construction, maintenance / upgrading and management of distribution grids (methane gas, district heating, water and waste water). Maintenance of electricity grids. Design, implementation / upgrading and maintenance of public lighting. Building renovation and maintenance. Provision of real estate and technological Global Service Services and of gas leak detection service. Energy Service (Heat Management; operation and maintenance of technological systems; Third Responsible; fuel supply; energy audit, energy certification, energy control and safety verification post-meter). Storage and distribution of odorisers. Inbound Call Center activities. Remote reading and remote management service for gas meters

Place and date:
Barendrecht, 19 May 2022

For the issuing office:
DNV - Business Assurance
Zwolsseweg 1, 2994 LB Barendrecht,
Netherlands

Erie Koek
Management Representative

Lack of fulfilment of conditions as set out in the Certification Agreement may render this Certificate invalid.

Social Accountability International and other stakeholders in the SA8000 process only recognize SA8000 certificates issued by qualified CBs granted accreditation by SAAS and do not recognize the validity of SA8000 certificates issued by unaccredited organizations or organizations accredited by any entity other than SAAS.

Construction of underground and overhead L V and MV electrical power distribution lines. Repair of bituminous road surfaces. Call Center activities. Remote reading and remote management service for gas meters. Production and trade of electronic gas volume converter.</p>

Site Name	Site Address	Site Scope
CPL CONCORDIA SOC. COOP. - Sede Operativa	Via T. Colombo, 31/D - 70132 Bari (BA) - Italy	<p>Design, construction, installation, maintenance and refurbishment of: technological plants (heating, plumbing, air conditioning and co-generation). Energy Service (heating and conditioning management; operation, management and ordinary en extraordinary maintenance of technological plants); third Responsible of heating plants and fuel supply; energy analysis, energy certification and energy control and post meter safety of gas-fed systems and devices). Cogeneration plants management. Design, construction, refurbishment, ordinary and extraordinary maintenance of buildings and their technological plants. Global Service of real estates and technological plants. Design, construction, installation, maintenance and refurbishment of: methane gas transport and distribution networks; gas measurement, reduction, control and odourisation systems. Construction, installation, maintenance and refurbishment of pipelines for the supply and distribution of gaseous and liquid combustibles including those at high pressure and related onshore and offshore plants. Construction and laying of undersea pipelines. Storage and distribution of odourisers. Provision of gas chromatography analyses. Operation of methane gas transport and distribution networks. Design, construction, installation, maintenance and refurbishment of drinking water and wastewater distribution networks; district heating networks. Design, construction, installation, maintenance, refurbishment and management of networks and systems of public lighting and traffic lights. Construction of underground and overhead L V and MV electrical power distribution lines. Repair of bituminous road surfaces. Call Center activities. Remote reading and remote management service for gas meters. Production and trade of electronic gas volume converter.</p>
